

John Deere XUV Series 620i Gator

Choice of Colors

- The 620i 4x4 is available in 2 color schemes: John Deere Green & Yellow, Olive & Black, or Camo.

Reliable/Durable

- 617cc (23 hp) liquid cooled, twin cylinder, 4-cycle Kawasaki gas engine has more horsepower for incredible power through any terrain
- Electronic Fuel Injection (EFI) on all gas models (620i) for superior throttle response and power; provides instant starting in all types of weather
- 30 mph top speed (17 mph in low range) allows you to be more efficient, herd livestock, or cover a field faster
- Increased acceleration for improved performance
- Optional Speed Limiter™ kit allows full power and acceleration with keyed lockout to limit top speed to 20 mph
- Advanced clutching with a tighter belt provides increased acceleration, smoother at low speeds, and efficient engine braking to assist descending down hills
- Standard Occupant Protection System (OPS) with a passenger-side hand-hold and 3-point seat belts is SAE and OSHA ROPS-certified, providing rugged "off-road" looks and protection
- 1,000 lb. cargo box capacity, 1,300 lb. towing and 1,400 lb. payload capacity ensures you can tackle any task
- Two-range CVT transmission for superior low-speed pulling and towing ability
- Long lasting front and rear hydraulic service brakes with mechanical rear park brake provide an automotive-style brake system with a dual circuit for the greatest reliability and a smoother-feeling engagement
- Hydroformed frame for unmatched strength and durability
- Engineered plastic (JDLOY) can be painted and provides improved scratch and marring resistance/recoverability
- Standard bumper protects the vehicle

Stable

- Independent Rear Suspension (IRS) provides excellent ride quality and superior terrain capability
- 7-inch suspension travel soaks up bumps and terrain while maintaining traction through any condition
- 11-inch ground clearance for greater access over obstacles on the trail and superior terrain capability
- Larger styled wheels (12 inches) and tires (25 inches) for greater ground clearance and sporty good looks

Go Anywhere Capability

- Standard full-clutch enclosure on all gas models provides greater access through water up to

John Deere XUV Series 620i Gator

- 22 inches high
- On-demand, "true" 4-wheel drive gives you total control; select a completely turf friendly mode of operation, or press the switch and get on-demand 4-wheel drive for climbing the toughest trails
- Rear traction assist locks the rear drive wheels together to push through tough spots
- Improved steering further reduces steering effort for assured predictability
- Choice of Aggressive Tread Tires (AT489) or All-Purpose (All Trail II) Tread Tires
- Optional automotive-style, deluxe glass cab and other weather protection accessories for the OPS are available to keep you going in almost any weather condition

Easy To Use

- Standard integrated 2-inch rear receiver hitch
- Attractive styling with integrated features such as cup holders, 12-volt outlet, glove box, storage compartment, and fuel gauge
