Power

- Yanmar 3-cylinder TNV Series diesel engine (meets the EPA emission standards for Tier II emission requirements)
- 40.5 horsepower

Performance

- Standard 4-wheel drive
- Independent PTO allows PTO to be engaged and disengaged independent of other transmission operations and at any ground speed
- Wet disk brakes provide positive stopping power and long life
- Dual Mid Selective Control valve with integrated joystick

Comfort/Convenience

- Twin Touch™ HST pedals are ergonomically designed for efficient and effortless transmission control
- Adjustable high-back vinyl seat with spring suspension
- Power steering provides optimum performance in all operating conditions; especially helpful when tractor is equipped with a loader
- i-Match™ Quick-Hitch

Safety

- Operator Presence System that will shut the tractor off if the operator leaves the seat while the tractor is in gear
- ASAE and OSHA certified Roll-Over Protection Structure

Versatility

- Category 1 3-Point Hitch
- Differential lock increases traction and pulling power
