Power

- 4-cylinder John Deere PowerTech™ turbocharged diesel engine
- 43 horsepower
- Increased torque provides more power to get the tough jobs done
- Direct injected for better cold weather starting
- Common rail fuel system provides more uniform fuel delivery
- Engine oil cooler provides more efficient heat rejection
- 75 amp alternator yields additional electrical capacity for accessories

Performance

- Sloped hood for improved visibility
- Standard 4-wheel drive
- LoadMatch™ feature keeps the tractor from stalling under heavy loads
- PowrReverser™ transmission or Twin Touch™ eHydro transmission available
- MotionMatch™ feature enables the operator to customize the tractor's responsiveness
- Loader ready with a standard dual mid selective control valve and loader joystick
- Standard rear PTO; optional mid PTO
- Increased hydraulic implement flow
- Dual hydraulic pumps ensure a consistent fluid flow for steering and a separate supply to implements
- Performance Tracking System allows the key tractor systems and functions to be monitored from the driver's seat
- Digital Speedometer
- Low fuel warning light
- Wide-angle halogen lights provide more light and better light dispersion

Comfort/Convenience

- Styling and ergonomic design
- i-Match™ quick hitch
- Tilt steering allows for easy adjustment and fully raises with a pull of a lever
- Automotive-style park brake
- Standard High Back Seat
- One-piece hood design improves serviceability, there are no sides to have to remove

Safety

- Operator Presence System that will shut the tractor off if the operator leaves the seat while the tractor is in gear
- ASAE and OSHA certified Roll-Over Protection Structure
